-  **No PU**
-  **Completely recyclable**

with super high performance!

Bellin 
GRE 
RECYCLABLE 
ECO-FRIENDLY

100% Recyclable

Bellin-GRE can be fully blended with melt granulation and reused once it has reached the end of its life.

Eco-friendly

Products pass REACH 205 and REACH PAHs, do not contain harmful substances.

Green primary backing

Bellin-GRE uses a newly developed green primary backing with a fully recyclable transparent coating, which is environmentally friendly and healthy.
